

# Innovations in Chaplaincy

You are welcome to join us for a day to share new creative ideas and innovations currently beginning within Chaplaincy.

This will be an opportunity to learn from each other and begin to think about how we can support one another in planning, training, relationships with the wider health community and voluntary sector, funding etc.

Wednesday 10<sup>th</sup> April 10.00am – 3.00 pm

St Nicolas Church Centre, Nuneaton CV11 4AZ

Please confirm attendance or further info:
