

International Chaplaincy Research Autumnschool

SAVE THE DATES!

After a successful first edition, the second **International Chaplaincy Research Autumnschool** will take place this autumn. The Autumnschool will provide participants with an introduction to important examples of existing chaplaincy-related research, the research process and various research methods.

The Autumnschool will be online and consist of three sessions:

- an afternoon session on October 26
- a morning session on October 29
- an evening session on November 4

Lead faculty include:

- **Prof dr Gaby Jacobs**
- **Prof dr Anne Vandenhoeck**
- **Prof dr Traugott Roser**
- **Dr Daniel Nuzum**
- **Dr Erik Olsman**
- **Dr Renske Kruizinga**
- **and Annelieke Damen.**

More information will follow in June.

Interested in the experiences of participant on the first school? You can find feedback at:
